**O Lord, all the world belongs to you,**

*PGT126 SOGP84*

- 1 O Lord, all the world belongs to you,  
and you are always making all things new.  
What is wrong you forgive,  
and the new life you give  
is what's turning the world upside down.
- 2 The world's only loving to its friends,  
but your way of loving never ends,  
loving enemies too;  
and this loving with you,  
is what's turning the world upside down.
- 3 The world lives divided and apart,  
you draw us together, and we start  
in our friendship to see  
that in harmony we  
can be turning the world upside down.
- 4 The world wants the wealth to live in state,  
but you show a new way to be great:  
like a servant you came,  
and if we do the same,  
we'll be turning the world upside down.

### Pitlochry Conservation Society

Leaflets are available on the table in the Porch from this new Society, which also refer to a forthcoming meeting. Further details, or further leaflets, can be obtained from Kate West (474255). It should be emphasised that the church is allowing these leaflets to be made available simply to give information over matters that are of wide importance to our community and parish, and not to align itself for or against the views as a whole of any one particular group.
